

AL-KO

QUALITY FOR LIFE

Recognise the original?

50% of Europe's air suspended trailer axles now have AL-KO shock absorbers fitted as original equipment

AL-KO Record is the European **leader in the manufacture of original equipment** trailer shock absorbers with quality approved and specified by some of the most demanding world-class OEMs

Each shock absorber comes with a **special sealing system** which minimises the chance of oil leaks and therefore **greatly extends service life of the shock absorber**

AL-KO shock absorbers are designed to be **very sturdy and virtually unbreakable** with a uniquely shaped, **weight saving** durable plastic outer dust cover

The quality of AL-KO shock absorbers is proven with a 3 year warranty

Are you getting your share of this growing aftermarket opportunity?
